Re: Periodical Survey

Enclosed are the results of the Periodical Survey.
I suggest the following:

- Stopping subscriptions to:
 - The Oxford Times
 - The Spectator
 - Time
 - London Review of Books

 - Starting subscriptions to:
 - Nature
 - Le Monde
 - New York Times - Sunday
- } depending on the cost.
Could you find this out for us, Gordon?
- Posting results with above suggestions in the MCR room to allow a time for comment from MCR members.

What do y'all think?
